In the tradition of COOL DEVICES comes the latest thriller to join the ranks of the hardcore hentai set: the Vanilla Series! From SHIYUUTA BIWAJIMA and CHIKARA NIKI, the producers of GIRL NEXT DOOR / MEIKING, and EIJI UTAKATA, Art Director of CAMPUS / MEIKING, comes a show that will shock the adult anime world to its core!

Shinji Yagami had always heard the rumors about female students being raped on campus - everyone did. Of course he never believed them until the day he stumbled across a website showing detailed pictures of female students being assaulted in the classrooms. Shocked to find himself turned on by what he sees, Shinji begins his descent into a world of voyeurism, S&M, and rape guided by fellow sadist Satoshi Kojima.

When Shinji's childhood friend Miku Iino begins to suspect that he may be involved with the string of campus rapes, she decides to confront him. Torn between his own dark desires and the horror of his crimes, will Shinji continue to hide his secret from Miku, or will she become the next target of his vicious desires?
